

just breathe

...a women's weekend

Do you ever want a moment to just breathe?

Then this weekend was designed with you in mind!

Come join us for a time of relaxation and rejuvenation.
A getaway where you can do as much or as little as you want.

Our mission is to give women a place to feel the presence of God,
in a space where they can breathe Him in. Surrounded by women
who understand right where you are, ready to support and
encourage you no matter what you are facing.

This begins with our mentoring program, where a woman can
sponsor another woman on this weekend getaway. We want to
encourage the support and involvement from all stages of
womanhood.

Mark your calendars for **May 28-30th**
